The price is under delivery term EXW Košice. The price is inclusive of packing in cardboard boxes. The price is without VAT. Price list is valid from 15.3.2023

Stove tiles are in major extend handmade. Permissible deviation from declared size, flatness and rectangularity conform to technical norm PNK 72 4810. Moderate shades in glazes, unevenness of effects in glazes, presence of hair cracks in glazes (harris) are normal qualities of ceramic stove tiles and are permitted as long as they do not disturb overall visual impression of set or packaging. Color shades are balanced by appropriate decorative arrangement. Complaints of visual defects must be applied before material building in.
